

# Enjoying the Journey of 2022

BizLibrary holds our first-ever BOOST conference, receiving almost **3,000 registrations!**

BizLibrary Partnership with ClickSafety brings [OSHA certification opportunities to BizLibrary clients.](#)

**The Expert Insights series sees significant growth**, adding new experts and topics all the time!

Our upskilling & reskilling platform, **BizSkills**, **receives enhancements** like Skills Interest, Role Matches, & Skills Genie, making it easier than ever for administrators to keep track of upskilling & reskilling and for learners to take charge of their own career development.

BizLibrary's 15th Annual **ALIGN Conference** has a **42% increase in registrations**, holding 18 sessions with nearly 500 peak live attendants!

**BizLibrary's Canadian Compliance Content grows**, including Accessibility for Ontarians with Disabilities Act, WHMIS, Canadian OSHA, and Culture of Civility courses for both employees and supervisors.

**BizLMS gains a new feature - Virtual Classroom!** Hybrid group instruction can now be scheduled & held directly in BizLMS, centralizing your training efforts.

**BizLibrary announces BizAcademy** - a premium content offering to develop your leaders, no matter their level! This hybrid cohort learning experience led LIVE by industry experts will kick off in 2023 with Kevin Eikenberry!
