

BizLibrary Topics is an approach that allows an organization to purchase one or two topics from The BizLibrary Collection, allowing them to meet essential development needs without purchasing the entire library. Your organization can choose from the seven core topics within The BizLibrary Collection.

- Business Skills
- Sales & Service
- Leadership & Management
- Software
- Information Technology
- HR Compliance
- Workplace Safety

## Benefits of BizLibrary Topics

- BizLibrary Topics is perfect for organizations that have an immediate need for only one or two topics and wish to add additional topics in the future as training needs arise.

- By choosing one or two topics from The BizLibrary Collection, your organization can purchase only the training you need to solve your current challenges.

- BizLibrary Productions offers a variety of content formats, including video lessons and interactive videos.

- Our team of content experts proactively curates content on a monthly basis, adding new and retiring old, outdated, or less utilized content to help keep our collection fresh and up-to-date.

- By purchasing only one or two topics from within The BizLibrary Collection, clients are provided with a budget friendly option that still covers their training needs.
