

# DELIVER A MODERN LEARNING EXPERIENCE

Engaging employees in training is a necessity to build a business that is agile, highly-productive, and competitive in the market. The best options for investing in training are those that are going to grow right alongside your employees – they aren't static solutions that are constantly behind the learning curve.

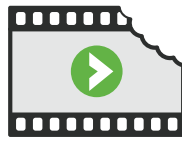

BizLibrary's online learning solutions are designed to adapt to the shifts in learning technology, and continually provide fresh, engaging content on a variety of established and emerging topics the modern workforce craves.

## CONTENT THAT MEETS MODERN LEARNERS' EXPECTATIONS

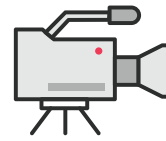

We've found the most effective components of modern learning content include:

**VIDEO-BASED LEARNING**

**SHORT,  
RELEVANT CONTENT**

**HIGH-QUALITY PRODUCTION**

**CURRENT,  
UP-TO-DATE**

**ACCESSIBLE ANYTIME,  
ANYWHERE**

**POST-TRAINING  
REINFORCEMENT**

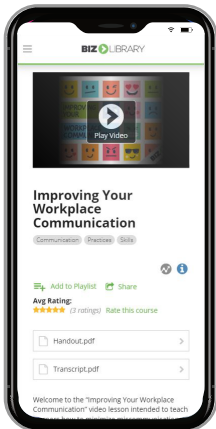

The BizLibrary Collection delivers on all these components, ensuring that learners are provided with the most current, learner-friendly, engaging content.

**YOUR EMPLOYEES ARE LIVING IN THE MODERN WORLD AND THEY EXPECT LEARNING OPPORTUNITIES TO BE AVAILABLE ON-DEMAND. THEY WANT TO BRING THEIR BEST TO THE JOB-AT-HAND, AND THEY KNOW THAT MEANS CONTINUALLY DEVELOPING NEW SKILLS THROUGH HIGH-QUALITY LEARNING CONTENT!**

# DELIVER A MODERN LEARNING EXPERIENCE

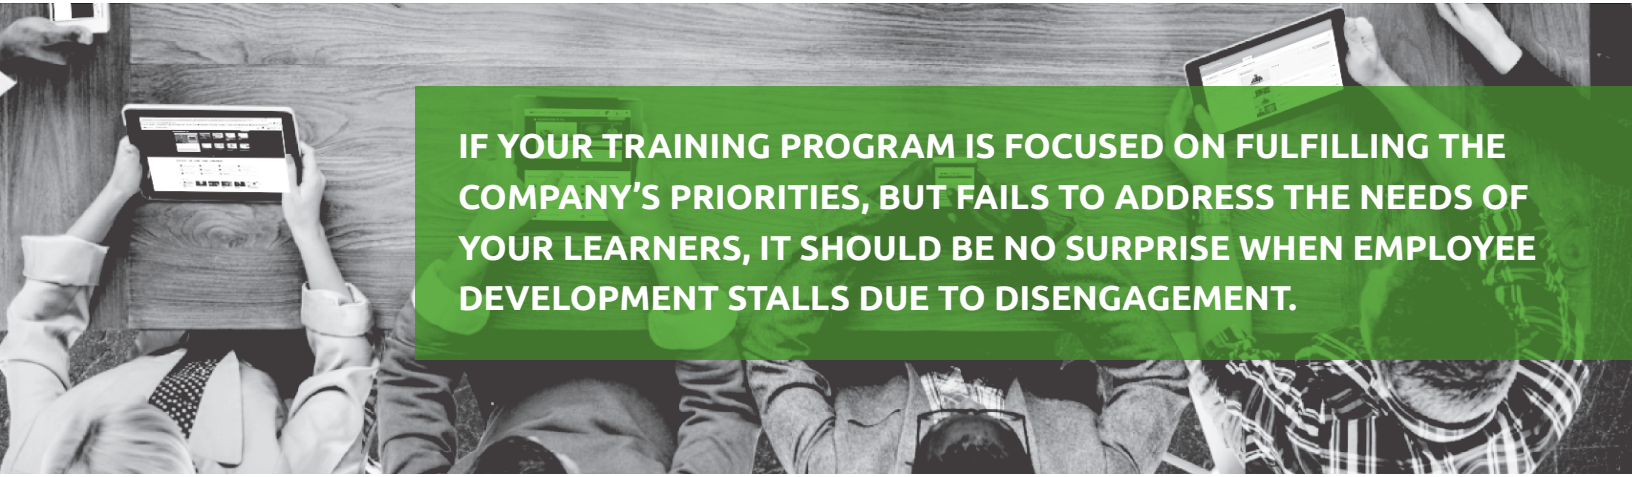

## HOW WE MAKE TRAINING ENGAGING THROUGH TECHNOLOGY

The employees' learning experience doesn't stop with the content. For your training program to reach its highest potential for engagement and effectiveness, considering the technology powering content delivery is equally crucial. Our learning technology harnesses these features to deliver a blissfully modern learning experience.

FEATURE	BENEFIT
Mobile-friendly design	Accessible on any device
Numerous advanced search filters	Enables learners to locate content quickly
Recommendation engine	System-suggested content based on content viewed
Curated learning paths	Allows learners to digest a topic quickly
Create and share playlists	Brings collaborative dynamic to the learning experience
Share, rate, and comment on content	Learners can provide input and feedback on content preferences
Pre-built quizzes	Improve learning retention and training ROI

All of these features, married with our content makes our solution easy to use and engaging for learners. Whether you need to deliver mandatory training, develop employee-specific competencies, or overcome a larger business challenge, providing a modern learning experience is the best way to energize employees around your efforts.

IF YOUR TRAINING PROGRAM IS FOCUSED ON FULFILLING THE COMPANY'S PRIORITIES, BUT FAILS TO ADDRESS THE NEEDS OF YOUR LEARNERS, IT SHOULD BE NO SURPRISE WHEN EMPLOYEE DEVELOPMENT STALLS DUE TO DISENGAGEMENT.
