

Content Accreditation

Select BizLibrary content is available for SHRM and HRCI credit.

Select "Certification Authority" from the filters in either BizLMS or the Content Application.
Choose from either HR Certification Institute (HRCI) or Society for Human Resource Management from the filter options.

Requirements for Credits

BizLibrary applies for preapproval for SHRM and HRCI credit for any BizLibrary Productions video course longer than 45 minutes in length.

BizLibrary Production courses that are 30 minutes or longer in the HR Compliance Library qualify for HRCI credit.

How can users see qualifying courses?

Learners and admins can filter by Certification Authority to find applicable courses. BizLibrary adds new qualifying courses each month.

Where can learners find the credit information?

Course codes appear as interactions at the end of the last lesson in a course. *Please note if credit information is mentioned in the course description it is outdated.

What about additional certifications?

Select courses can help learners prepare for certification exams, but these courses are not preapproved by a certification authority for Continuing Education Credits.
