WHY ATTEND

LEARN

You will have the chance to learn from the BizLibrary team, clients, and industry experts on best practices, concepts, and trends in the training industry. With more than 30 breakout sessions, multiple keynote speakers, and one-on-one meetings, the learning opportunities are endless.

NETWORK

Attendees come from organizations of all sizes and industries. ALIGN provides scheduled and facilitated networking opportunities to meet other HR and learning and development professionals, gain ideas for how to solve business challenges, and collaborate on solutions.

PARTNERSHIP

Having an outsider's perspective is invaluable. At ALIGN, clients have the unique opportunity to sit down with their client success team and really dig into program management and goals. Amazing program planning takes place when sitting together, discussing challenges, and putting what was learned in place.

RECOGNITION

The annual awards luncheon is a spectacular event that recognizes top clients on programs that are producing exceptional results. It's the perfect time to learn from the best and take their success back to your organization! And of course, pat your peers on their back for a job well-done.

INSPIRATION

The energy, enthusiasm, and passion of attendees is like none other. Whether this is your first ALIGN or ninth, you will walk away with a new perspective on learning, returning to your organization with renewed spirits and excitement.

FUTURE

Hear first-hand from our Founder and CEO, Dean Pichee, on the growth of the industry, BizLibrary, and the future of our products as he updates attendees on what they can expect from BizLibrary's content, technology, and service.

PROFESSIONAL DEVELOPMENT (HRCI)

HR professionals, don't miss out on the opportunity to earn up to 11 HRCI and SHRM credits. For you, this conference is a MUST!

PLAN

Over the course of 3 days, you'll have chance to brainstorm with experts on future plans of your training program. Where else will you have the ability to receive answers and guidance to your most difficult and challenging questions?

RESULTS

For those who love data – BizLibrary clients who attend the ALIGN conference average a client score 30% higher than clients who do not attend. Need we say more?

FUN

One of BizLibrary's core values is to Enjoy the Journey. We take this to heart when planning ALIGN and remember to add in more than a dose of fun. From the Dine-around to evening events, you will continue to enjoy the journey year after year.
